

# Help is Available

Youth behavioral health and outpatient substance use treatment services are open to all St. Charles County youth under 19 years old.

## Funded services

- Counseling - at school, home, or office
- Crisis counseling & support
- Parent education
- Outpatient psychiatry
- Social-emotional supports
- Support groups
- Mental health education
- Homelessness prevention
- and many more

### FUNDED THROUGH

A 1/8 cent sales tax fund ensures services are available to all St. Charles County residents. The CCRB administers funding to service providers.
